Those offices located in a residency with 24/7 Concierge, swimming pool, fitness center, tennis court and sauna benefit from a very easy access thanks to 2 separate and independent entrances, that can be reached through a road by car.

With air conditioning throughout, the premises have 2 separate men / women loos and change rooms, as well as movable walls that enable to organise the layout at the occupant's best convenience, from several little offices to a full open space.

The premises can also be used as storage space.
